# Map view

The image shows a mobile application interface for a driver's map view. The map displays several job locations marked with numbered icons: 1 (green up arrow), 2 (blue down arrow), 3 (green up arrow), and 4 (blue down arrow). The interface includes a top status bar with 'Available', a navigation bar with 'Map' and 'Jobs' tabs, and a bottom action bar with 'At pickup' and a validation icon. A bottom information bar shows the current job name 'Vg burger bar Restaurant', the next destination 'Calle Armengual de la Mota, 12, 29007', and arrival times '09:40' and '09:45'. A right-side menu contains icons for navigation, chat, and map zooming.
